S.G/21-2

Copy of letter from the Collector of Bellary, to the Secretary to the Board of Revenue, Madras, Ref.C.No. 532/40-A5 dated 8th February 1940.

Sub: Assessment -- Land Revenue -- Bellary District and Taluk -- Certain villages -- Postponement of Februar kist to March 1940 -- Report submitted.

Ref: This office PR.84/40 dated 31-1-1940.

Several petitions were received from the villagers of (1. Kuditani, 2. Siddammanahallo, 3. Janikunta, 4. Haraganadona, 5. Kappagal, 6. Kolagal, 7. Sidiginamola, 8. Veenahalli) in Bellary Taluk requesting remission of land revenue on account of the sudden failure of crops. The Revenue Divisional Officer, to whom the petitions were referred, has submitted an interim report requesting postponement of the February kist ~~%~~ in parts of Bellary Taluk to March 1940.

2. Crop history

The Revenue Divisional Officer, Bellary, reports, that he has made an extensive tour in Kurugodu and Rupanagudi firkas and found that the condition of crops is really bad and that the mungari and Hingari crops have not fared well on account of paucity of rain in some months, of excess of rains in October, and also of agricultural pests. He reports that the crops were promising till the middle of December 1939 and that there was a sudden deterioration in their condition and that most of the standing crops are now drooping and are not likely to yield more than 4 annas outturn and that there is a case for suspension of land revenue in some parts of the Bellary taluk.

3. Rainfall: The rainfall received during 1938 and 1939 at Bellary and Kurugodu stations is enclosed. The crops were fair in the initial stages owing to the adequate rain-fall.

4. Sri B.Bhima Rao, M.L.C., Sri H.Sitarama Reddi, M.L.A., Dr.R.Nagana Gouda, President, District Board and other ryots waited in deputation on me on 7-2-40 and represented that sudden unfavourable winds and want of dew combined with agricultural pests have caused a sudden deterioration of the standing crops in the last week of December 1939 and requested that the collection of the first kist may be postponed to March 1940.

Pending the receipt of detailed reports from the Revenue Divisional Officer, Bellary, I have ordered the postponement of collection of the first kist from February 1940 to March 1940 in all the 21 villages of Kurugodu firka, eleven villages in Kotur firka and eight villages in Rupangudi firka under B.S.O.14, paragraph 3 in anticipation of the sanction of the Board. I request that my action may be approved. A copy of the proceedings ie enclosed.

Copy of Proceedings of the Collector of Bellary, No.532/40 dated 8--2--1940.

Sub: Assessment -- Land Revenue -- Bellary district and taluk -- Certain villages -- Postponement of February kist to March 1940 -- Orders passed.

Read:

Bellary Revenue Divisional Officer's C.No.205/40-B dated 30-1-40 and 31-1-40.

Petition from the deputationists of Bellary Taluk dated 7--2--1940.

Order:

As represented by the deputationists Sri B.Bhima Rao, M.L.C., Sri H.Sitarama Reddi, M.L.A., Dr.R. Nagana Gowd and others and as recommended by the Revenue Divisional Officer Bellary, the postponement of the collection of February kist to March 1940 in all the 21 villages of Kurugodu firka, eleven villages of Kolur firka and 8 villages in Rupanagudi firka noted in the annexure is ordered under B.S.O.14, paragraph 3. The fact of postponement should be widely published in all the 21 villages concerned by beat of tom-tom.

2. It is seen that there is only a failure of crops in parts of Bellary taluk and as such the distress will be treated as "local calamity" falling under B.S.O.14.

3. To decide whether there is a case for suspension of land revenue and if so, in what proportion, the following statistics and other particulars should be submitted expeditiously.

i. Outturn statements and the full information as required by B.S.O.14-A (1)(2).

ii. A plan showing the affected villages and tracts.

iii. A report regarding the thorough inspection of crops in the affected areas as required by B.S.O.14(1).

Proposals for suspension or remission of revenue should show distinctly the extent to which they are based on the personal inspection of superior officers.
